PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

This has been an excellent year at Carvers Bay. It was our inaugural year in which the Choppee and Pleasant Hill communities consolidated as Carvers Bay High School. We are most pleased with the manner in which the two communities have unified and supported both students and school in our mutual quest to educate each student at CBHS.

Our mission is to develop competent life long learners. Our quest is to educate each student at Carvers Bay High to the fullest extent possible and to help equip students to advance successfully into post secondary education or the world of work. Promoting academics is our priority. We have an inherent goal to help students develop positive relationships, mutual respect, and appreciation for all people.

Our students have shown improvement academically, artistically, and athletically. Among our accomplishments are the following: Seniors were offered more than \$600,000 in scholarships. Two seniors were selected as Palmetto Fellows, and twelve students received Life Scholarships. Our Marine ROTC received the "Distinguished Unit" designation award for the Southeastern states. Our girls' track and volleyball teams won region championships; our boys' cross country, boys' varsity basketball, and varsity football teams won region runner up championships; and we had a girls' track triple jump state champion.

As we enter the 2001-2002 school year, we, as a school family, will continue to address our key priority needs and school accountability issues that should enhance our ability to: 1) Improve the quality of our school program, 2) Improve the achievement performance and service orientation of our people: administration, faculty and staff, and students, and 3) Improve the effectiveness of our working together.

We look forward to working with you toward these goals.
